The National Vietnam War Museum  
PO Box 146  
Mineral Wells, Texas 76068-0146

Dear Dr. Messinger:

Congratulations as you celebrate the site dedication for The National Vietnam War Museum. This new facility is designed to educate the public about the heroes who served their country during this conflict and most of all, to honor those men and women who served. It is important for the children living in this time to understand the sacrifices that their parents and grandparents made to preserve the freedoms that they have today.

I want to honor the veterans who have joined us at this ceremony. Your commitment to our nation has always inspired me. Serving in Congress has made me even more thankful for what you have fought to protect. I will continue to fight for you and make sure that the nation you fought so hard to defend continues to make you proud. I want to thank you one more time for your service to our country.

I am proud to serve a district that is dedicated to honoring those who have made our nation what it is today. On behalf of the 12<sup>th</sup> Congressional District, I wish you continued success in this venture.

Sincerely,

Kay Granger  
Member of Congress
